

The background of the image is a collage of various industrial components from Garlock. It includes several large circular flanges in shades of blue and yellow, some with multiple bolt holes. There are also various types of seals, including O-rings and gaskets, in different colors and sizes. A prominent feature is a yellow circular seal with a red and white stripe across its center, labeled 'Garlock' and '1/2"'. Other components include metal rings, a blue cylindrical part, and various bolts and nuts. The overall aesthetic is clean and professional, highlighting the variety of products offered by Garlock.
